A Brief Introduction

VFE is your trusted channel for supporting poor and meritorious students for Education and Skill Development in Bharat, that is India.

The credibility of this foundation lies in the fact that the founders themselves have contributed / committed donations of Rs 2 Crore each.

VFE is a Not-for-profit organization registered under Indian Companies Act 2013, Income Tax Act Section 12AA, 80G, and Ministry of Corporate Affairs (MCA) and is incorporated with the main object of empowering poor and meritorious students

VFE has been in operation since 2013-14 and has been supporting students pursue Professional courses, coaching for placement in Government and other services, and enhancement of employable skills.

The foundation has an impressive track record of supporting a huge number of deserving individuals through scholarships, grants, skill enhancement, and mentorship programs.

As of 31st December 2024, the total beneficiaries supported by VFE are 2801 with Donations committed to the tune of Rs. 1163.19 lakhs.

VFE is managed by a Board of Directors comprising donors and eminent citizens, with its headquarters in Hyderabad and functions in strict compliance with Company Law norms.

The organization's functioning is further overseen by Governing Council comprising a Retired Judge of High Court, a Retired Commissioner of Income Tax, a Retired IAS Officer, and a Founder Member.

To enhance its support further, VFE seeks donations from Non-Resident Indians (NRIs) businessmen and employees working in Multi-National Corporations (MNCs) to help underprivileged students access higher education at some of India's top-institutions.

Donations from abroad often come with tax benefits to the Donor, making it easier for NRIs to give generously and in some cases with employer's contribution.

VFE has received FCRA approval for receiving donations from Overseas Indians.

VFE ensures that every donation goes directly towards enhancing educational prospects for needy student through well laid down procedures for selection, disbursement and monitoring.
