**Mr. Gannu Deekshit, M Tech:**

I hail from Warangal and my father earns meager amount as commission by selling electric bikes. As my goal was to complete PG, after completion of B Tech, I prepared for GATE and with hard work, I could secure M Tech (Microelectronics & VLSI) seat in IIT- Madras. As the fee structure is high and as my father can't afford such high fees, I was worried that I would not be in a position to join the institute. At that time, I came to know about VFE through my friend and immediately applied for support. I am very thankful to VFE for extending the financial support required for studying M Tech and with this support I am confident that now I can focus on my studies and complete the course.

**Ms. Chittanoori Sindhu, MBBS:**

I have a dream of becoming a doctor and serving society. To fulfill my dream, I worked hard, prepared for the NEET exam and secured a seat in MBBS. I hail from Vikarabad and my father is attacked with Paralysis. My father gets pension from the Govt. and my mother works as a tailor and earns an income of Rs.10,000/- per month. We found it extremely difficult to meet the monthly expenses. Under such circumstances, I was worried that, whether I would be able to join the course or not. I came to know about VFE thru WhatsApp group and applied for support. I extend my sincere gratitude to VFE for supporting me financially to pursue MBBS.

**Mr. Kotha Venkatesh, B Tech:**

I hail from Macherla, Guntur dt. and my father works as a Gumastha in a kirana shop with a meager salary. Already my father is finding it very difficult to run the family with his nominal income. When I got B Tech seat in R V R & J C College of Engineering, Guntur, I was very much worried about meeting the College & Hostel expenses. At one stage, I thought of dropping the idea of pursuing B Tech as my family can't bear the expenses. At that time, I came to know about VFE through my relatives and I got a ray of hope. Immediately. I applied for support, and I am very thankful to VFE for supporting me.
